For: **AUTOGENOUS LYMPHATIC FACTOR FOR MODIFICATION OF  
T AND B LYMPHOCYTE PARAMETERS**

**SUPPLEMENTAL DECLARATION FOR UTILITY APPLICATION**  
**(37 C.F.R. 1.132)**

1. I hereby declare that each inventor's residence, mailing address, and citizenship are as stated below next to his name.

2. I declare that I have reviewed and understand the contents of the above-identified application, including the claims, as amended as of April 23, 2008.

3. I believe the inventors named below to be the original and first inventors of the subject matter which is claimed and for which a patent is sought on currently pending Claim 49 and the other pending claims in the above-identified application for patent.

4. Bertie B. Griffiths personally gave a presentation entitled "Prospective Substitution of Transfer Factor with In Vitro Stimulated T Lymphocytes" at The Twelfth Annual International Symposium on Man and His Environment in Health and Disease, February 24-27, 1994. Dr. Griffiths is identified as the author of this presentation; however, I declare that each of William J. Rea and Bertie B. Griffiths made a substantial contribution to the conception and substance of this presentation. I declare that the named inventors collaborated in the preparation of this presentation. In particular, I declare that to the extent the invention as set forth in currently pending Claim 49 of the above-identified application for patent was disclosed in this presentation, each of William J. Rea and Bertie B. Griffiths made a substantial contribution to the conception of the invention. I further state that the inventors named below collaborated in the conception and reduction to practice of the invention as set forth in currently pending Claim 49 of the above-identified application for

patent. I declare that the 1994 presentation is the work of the inventors named in this application for patent.

5. I hereby declare that all statements made herein of my own knowledge are true, that all statements made on information and belief are believed to be true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, and patent issuing thereon, or any patent to which this verified statement is directed.
